2025-2026 CHILDREN'S INTERNET PROTECTION ACT ("CIPA")

BOARD POLICY MANUAL - POLICY GROUP 1 GOVERNANCE - INTERNET SAFETY

Sec. 1. INTRODUCTION

It is the policy of Amigos Por Vida-Friends For Life Public Charter School to:

- (a) Prevent user access over its computer network to, or transmission of, inappropriate material via the Internet, electronic mail, or other forms of direct electronic communications.
- (b) Prevent unauthorized access and other unlawful online activities.
- (c) Prevent unauthorized online disclosure, use, or dissemination of personal identification information of minors; and
- (d) Comply with the Children's Internet Protection Act ("CIPA"), the Neighborhood Children's Internet Protection Act ("NCIPA"), and the Protecting Children in the 21st Century Act, to the extent such laws apply to Amigos Por Vida-Friends For Life Public Charter School.

It is the goal of this policy not only to prevent and protect but also to educate employees, students, parents, and the Amigos Por Vida-Friends For Life Public Charter School community in Internet safety. The CIPA guidelines for an Internet Safety Policy have also been incorporated by Amigos Por Vida-Friends For Life Public Charter School into its Acceptable Use Policy and/or Acceptable Use Agreement(s). All limitations and penalties outlined in the Acceptable Use Policy and/or Acceptable Use Agreement(s) are deemed to be incorporated into this policy. Terms used in this policy and that also appear in CIPA have the meanings defined in CIPA.

Sec. 2. COMPLIANCE WITH THE REQUIREMENTS OF CIPA

a) Technology Protection Measures

A Technology Protection Measure is a specific technology that blocks or filters Internet access. It must protect against access by adults and minors to visual depictions that are obscene, involve child pornography, or are harmful to minors. Amigos Por Vida-Friends For Life Public Charter School utilizes a sophisticated content filtering system that is compliant with CIPA and NCIPA on all computers that access the Internet.

b) Access to Inappropriate Material

To the practical extent, Technology Protection Measures (or "Internet filters") shall be used to block or filter Internet, or other forms of electronic communication, access to inappropriate information. Specifically, as required by CIPA, blocking shall be applied to visual and textual depictions of material deemed obscene or child pornography, or to any material deemed harmful

to minors. Subject to administrative approval, technology protection measures may be disabled or, in the case of minors, minimized only for bona fide research or other lawful purposes.

Any attempt to bypass, defeat, or circumvent the Technology Prevention Measures is punishable as a violation of this policy and of the Acceptable Use Policies.

c) Inappropriate Network Usage

To the extent practical, steps shall be taken to promote the safety and security of users of Amigos Por Vida-Friends For Life Public Charter School's online computer network when using electronic mail, chat rooms, blogging, instant messaging, online discussions, and other forms of direct electronic communications. Without limiting the foregoing, access to such means of communication is strictly limited by the Acceptable Use Policies.

Specifically, as required by CIPA, prevention of inappropriate network usage includes:

1. Unauthorized access, including so-called "hacking" and other unlawful activities; and
2. Unauthorized disclosure, use, and dissemination of personal identification information regarding minors.

d) Supervision and Monitoring

It shall be the responsibility of all professional employees (pedagogical and administrative staff) to supervise and monitor the usage of Amigos Por Vida-Friends For Life Public Charter School computers, computer network, and access to the Internet in accordance with this policy, the Acceptable Use Policies, and CIPA. Procedures for disabling or otherwise modifying any technology protection measures shall be the responsibility of each Principal or Designee.

e) Education

Amigos Por Vida-Friends For Life Public Charter School will advocate and educate employees, students, parents, and the Amigos Por Vida-Friends For Life Public Charter School community on Internet safety and "cyber-bullying." Education will be provided through such means as professional development training and materials to employees, PTO/PAC presentations, and the Amigos Por Vida-Friends For Life Public Charter School website.

Additionally, the Principal or designee will provide age-appropriate training for students who use Amigos Por Vida-Friends For Life Public Charter School Internet facilities. The training provided will be designed to promote Amigos Por Vida-Friends For Life Public Charter School's commitment to:

1. The standards and acceptable use of Internet services as set forth in the Acceptable Use Policies.
2. Student safety with regard to:

- a. safety on the Internet;
- b. appropriate behavior while online, on social networking Web sites, and in chat rooms; and
- c. cyberbullying awareness and response.

3. Compliance with the E-rate requirements of CIPA.

Following receipt of this training, the student will acknowledge that he/she has received the training, understood it, and will follow the provisions of the Acceptable Use Policy and/or Acceptable Use Agreement(s).

f) Cyberbullying

The Acceptable Use Policies include provisions intended to prohibit and establish penalties for inappropriate and oppressive conduct, including cyberbullying.

Amigos Por Vida-Friends For Life Public Charter School is a place of tolerance and good manners. Students may not use the network or any Amigos Por Vida-Friends For Life Public Charter School computer facilities for hate mail, defamatory statements, statements intended to injure or humiliate others by disclosure of personal information (whether true or false), personal attacks on others, and statements expressing animus towards any person or group by reason of race, color, religion, national origin, gender, sexual orientation or disability.

Network users may not use vulgar, derogatory, or obscene language. Network users also may not post inappropriate anonymous messages or forge e-mail or other messages.

Furthermore, Amigos Por Vida-Friends For Life Public Charter School computers and network facilities may not be used for any activity, or to transmit any material, that violates United States, State of Texas, or local laws. This includes but is not limited to, any threat or act of intimidation or harassment against another person.

As defined by CIPA, the term "technology protection measure" means a specific technology that blocks or filters Internet access to visual depictions that are:

1. Obscene, as that term is defined in section 1460 of title 18, United States Code;
2. Child Pornography, as that term is defined in section 2256 of title 18, United States Code; or
3. Harmful to minors.

The term "harmful to minors" means any picture, image, graphic image file, or other visual depiction that:

1. Taken as a whole and with respect to minors, appeals to a prurient interest in nudity, sex, or excretion;
2. Depicts, describes, or represents, in a patently offensive way with respect to what is suitable for minors, an actual or simulated sexual act or sexual contact, actual or simulated normal or perverted sexual acts, or a lewd exhibition of the genitals; and
3. Taken as a whole, lacks serious literary, artistic, political, or scientific value as to minors.
